KINGDOM OF THAILAND

MOST POPULAR WHITEWARE PORCELAIN

All of our products passed the United States Food and Drug Administration (USFDA) in meeting with its international standards and safety regulations, related particularly to lead and cadmium releases.

Tip&Trick

Here are some easy tips you can follow to help ensure your Royal Porcelain tableware continues to serve your everyday gourmet for the longest time:

Hand-wash

· Liquid detergent is best recommended.
· Do not put too many plates in a sink at one time as this might cause scratches.
· Use tea/coffee stain remover to remove such stain.
· Use only soft sponge as metal pad can cause scratches or permanent marks on the surface.

Microwave Use

· Except for the metal or gold plated ware, all Royal Porcelain tableware are microwavable.

Machine-wash

· Do not overload the machine with plates.
· Use only the recommended machine-washed liquid detergent.
· All Royal Porcelain tableware is dishwasher-safe but gold or platinum decorated ware is recommended to be hand wash.
