All of our products passed the United States Food and Drug Administration (USFDA) in meeting with its international standards and safety regulations, related particularly to lead and cadmium releases.

● Tip&Trick

Here are some easy tips you can follow to help ensure your Royal Porcelain tableware continues to serve your everyday gourmet for the longest time.

● Hand-wash

- Liquid detergent is best recommended.
- Do not put too many plates in a sink at one time as this might cause scratches.
- Use tea/coffee stain remover to remove such stain.
- Use only soft sponge as metal pad can cause scratches or permanent marks on the surface.

● Machine-wash

- Do not overload the machine with plates.
- Use only the recommended machine-washed liquid detergent.
- All Royal Porcelain whiteware is dishwasher-safe but gold or platinum decorated ware is recommended to be hand wash.

● Microwave Use

- Except for the metal or gold plated ware, all Royal Porcelain tableware are microwavable.
