MAXADURA

A completely new standard of tableware from Royal Porcelain.

The beauty and strength are perfectly combined into this shape.

With an innovative formula and the addition of Alumina, resulting in unsurpassed durability.

The warm, white body color combined with a brilliant, super hard glaze meets the demands of today's hospitality industry.

ROYAL PORCELAIN PUBLIC COMPANY LIMITED

All of our products passed the United States Food and Drug Administration (USFDA) in meeting with its international standards and safety regulations, related particularly to lead and cadmium releases.

- **Tip&Trick**
Here are some easy tips you can follow to help ensure your Royal Porcelain tableware continues to serve your everyday gourmet for the longest time:
- **Hand-wash**
- Liquid detergent is best recommended. - Do not put too many plates in a sink at one time as this might cause scratches.
- Use tea/coffee stain remover to remove such stain. - Use only soft sponge as metal pad can cause scratches or permanent marks on the surface.
- **Machine-wash**
- Do not overload the machine with plates. - Use only the recommended machine-washed liquid detergent.
- All Royal Porcelain tableware is dishwasher-safe but gold or platinum decorated ware is recommended to be hand wash.
- **Microwave Use**
- Except for the metal or gold plated ware, all Royal Porcelain tableware are microwavable.
