**All of our products passed the United States Food and Drug Administration (USFDA) in meeting with its international standards and safety regulations, related particularly to lead and cadmium releases.**

**Tip&Trick**

Here are some easy tips you can follow to help ensure your Royal Porcelain tableware continues to serve your everyday gourmet for the longest time:

**Hand-wash**

Liquid detergent is best recommended.  
Do not put too many plates in a sink at one time as this might cause scratches.  
Use tea/coffee stain remover to remove such stain.  
Use only soft sponge as metal pad can cause scratches or permanent marks on the surface.  
**Microwave Use**  
Except for the metal or gold plated ware, all Royal Porcelain tableware are microwavable.

**Machine-wash**

Do not overload the machine with plates.  
Use only the recommended machine-washed liquid detergent.  
All Royal Porcelain tableware is dishwasher-safe but gold or platinum decorated ware is recommended to be hand wash.
