Beauty comes in all shapes and sizes. The same can be said about fine tableware. Verona, a new creation of fine bone china by royal porcelain emphasizes this ideology. The unique combination of shapes from round, square and triangle are contemporarily combined. Dining will never be dull again.

- **Tip&Trick**  
 Here are some easy tips you can follow to help ensure your Royal Porcelain tableware continues to serve your everyday gourmet for the longest time:
- **Hand-wash**  
 - Liquid detergent is best recommended. Do not put too many plates in a sink at one time as this might cause scratches.  
 - Use tea/coffee stain remover to remove such stain. Use only soft sponge as metal pad can cause scratches or permanent marks on the surface.
- **Machine-wash**  
 - Do not overload the machine with plates. Use only the recommended machine-washed liquid detergent.  
 - All Royal Porcelain tableware is dishwasher-safe but gold or platinum decorated ware is recommended to be hand wash.
- **Microwave Use**  
 - Except for the metal or gold plated ware, all Royal Porcelain tableware are microwavable.
