Tyfoon

Inspiration originates from nature. Spun wind wave of typhoon creates the concept in designing particular items of "Unleaded Bone China" ceramic tableware with modernization and uniqueness to be suitable for usage in both western and eastern style under united blend of square and twisted circle.

All of our products passed the United States Food and Drug Administration (USFDA) in meeting with its international standards and safety regulations, related particularly to lead and cadmium releases.

Tip&Trick

Here are some easy tips you can follow to help ensure your Royal Porcelain tableware continues to serve your everyday gourmet for the longest time:

Hand-wash

Liquid detergent is best recommended. Do not put too many plates in a sink at one time as this might cause scratches. Use tea/coffee stain remover to remove such stain. Use only soft sponge as metal pad can cause scratches or permanent marks on the surface.

Machine-wash

Do not overload the machine with plates. Use only the recommended machine-washed liquid detergent. All Royal Porcelain tableware is dishwasher-safe but gold or platinum decorated ware is recommended to be hand wash.

Microwave Use

All Royal Porcelain tableware are microwavable, except for the metal or gold plated ware.
